MISSION STATEMENT

HOLIDAY CAMPS

Chosen Valley Camp is a safe place where children have fun and experience something new and different. We want to see children accepted and loved so that above all they may know that God accepts and loves them.

We create a place where children are surrounded by Great Christian Role models, who seek to show what Jesus is like in word and in action.

At Chosen Valley both youth and young adults are being raised up into the leaders of the future, developing Christian character, as they grow toward their full potential.
